MEDICAL INFORMATION

Things to Know

ALL medication, **both students' and leaders'**, must be turned in to the camp nurse upon arrival at camp.

- The **ONLY** exception to this rule is inhalers.
- Medication should be in its original packaging properly labeled with the student/leader's first and last name, the dosage and when the medication should be taken.

It is the responsibility of the student and their cabin leader to make sure that medication is taken on time. Please make sure that medication information is clearly communicated to your student's cabin leader prior to their arrival at camp.

If there is a change in medical circumstances prior to the start of camp, please make sure that all updates are communicated to the camp staff. Please email northwestsummercamp20@gmail.com with any changes.

For students with medically necessary assisting devices, such as wheelchairs or crutches, we advise them to take any necessary precautions if attending camp. If you do have students or leaders in wheelchairs, on crutches, etc., please make sure to communicate to the camp staff ahead of time so that we can properly accommodate those students and/or leaders.

PLEASE DO NOT SEND A STUDENT TO CAMP IF:

- They have had an infectious or contagious disease within two (2) weeks of the start of camp.
- They have a fever or have had a fever within 24 hours of the start of camp.
- They have or recently have had lice. (See below)

Lice Checks

Please make sure to check all persons coming to camp for lice prior to your arrival at Camp Hope. This is for the health and safety of all students, cabin leaders and staff on the campgrounds.

In close quarters, such as vans, cars, or camp cabins, lice can spread very quickly. Please help us limit exposure by checking your students and leaders before you leave your church campus.

- Students and leaders may be subject to a lice check by the camp nurse and staff upon arrival.
- If a student or leader is found to have lice, they will not be allowed to participate in the camp and will be sent home without a refund.
